Start Smart Practices vs. T-ball Skills Day on Picture Day:

1. Start Smart Practices: Start Smart T-ball groups will have Picture Day first at the Saco Community Center to receive their t-shirt and take photos, and then will attend their regular scheduled practice AFTER Picture Day. They will leave from the Community Center and go to practice at the Memorial Field softball diamond located behind C.K. Burns School.

2. Skills Day: All Instructional T-ball teams (Tuesday/Thursday groups) will have photos, followed by a Skills Day event at the Saco Community Center. Skills and drills takes about 15 minutes to complete. Stations will be inside in the gym and will include a timed run to home base, mascot target throwing, and a "guess your speed" throwing station.

Please check our website for all updates and cancellations: www.sacorec.com. In the event of inclement weather, all Start Smart outdoor practices will be cancelled and we will hold T-ball Skills and Drills indoors at Saco Community Center for all T-ball divisions (Start Smart, and Instructional T-ball).
