Facility Rules:

- **Officials:** Program coaches will be self-refereeing and organizing games. As recreational field hockey is a learning program, we will be focusing on different elements depending on the age groups. Core teaching goals include safe play, good sportsmanship, staying spread out on the field, understanding positions and game rules, safe and proper use of the stick, no hacking, limited to no use of feet, out of bounds, etc.
- **Dogs:** The City of Saco has passed an ordinance that dogs are not permitted on athletic fields. With the number of people attending this event and limited spectator space around the field, we would like to ask for families to please not bring dogs to this event. Service animals are permitted.
- **Facilities:** Port-o-potties are available near the athletic field
- Trash is carry in and carry out – thank you for helping us keep our athletic fields clean!

Clothing and Equipment:

- **Equipment:** All players must have shinguards, mouthguard, goggles, and their stick. They will not be able to participate without these so please do not forget them.
- **Shirts:** Please have players wear their SPR Field Hockey t-shirt.
- **Hair pulled back and NO JEWELRY!** Please have players arrive with no jewelry and their earrings already taken out at home. If your child cannot remove their earrings due to recent ear piercings, please make sure their earrings are covered with medical tape or bandaids before they arrive at the fields. This is for the safety of the player to prevent earrings from being snagged on clothing/hair or hit.

Leaving for the day: please check out with an SPR coach before leaving with your child.
