

TENNIS IN THE PARKS

Led by an approved USTA Net Generation tennis coach, the program focuses on developing the skills to serve, rally and play.

It's perfect for beginners and first-time players. Once skills are built, players will have fun matches.

This program uses modified tennis balls, age-appropriate rackets and court sizes. Plus, we use the latest fun and engaging activities that help players successfully learn and play the game quicker!

Players in their first session receive and keep a new tennis racket, and a program t-shirt!
