You will receive an email confirmation after successful pre-registration.

To find your Enrollment Fee, go to your Account Overview and scroll down until you find the section called "Balances."

All enrollments with unpaid enrollment fees will be cancelled on June 8, 2026.

After paying the deposit for Full Summer, you can choose to pay incrementally. You can edit your payment amount during the payment process.

You will receive an email receipt after your payment. This is how you know your registration/payment was successful.

Full Summer Registrations with a balance after June 5 will be converted to Weekly and your child will be registered for the first two weeks of camp.
