

## **Teen Trailblazer Camp – Device Usage Agreement**

### **Purpose**

Phones can help campers stay connected with their families, but they can also be distracting. Devices should stay in backpacks unless it is an approved time to use them. Leadership will clearly let campers know when devices may be out. This agreement helps ensure devices are used responsibly while keeping camp safe, respectful, and fun.

### **When Can I Use My Device?**

Campers may use their phones only during:

- Morning check-in (7:30–9:30 am)
- Afternoon check-out (3:30–5:30 pm)
- After the first 20 minutes of any bus ride to or from a field trip

### **Device Expectations**

By bringing a phone or personal electronic device to camp, campers agree to:

- Always use devices respectfully and appropriately.
- Only use devices during approved times unless given permission by leadership.
- Get permission before taking photos or videos of other campers.
- Not take any photos or videos of staff.
- Never participate in bullying, harassment, or inappropriate messaging.
- Not access, display, or share inappropriate content.
- Keep devices silent unless instructed otherwise.
- Understand that Saco Parks and Recreation is not responsible for lost, stolen, or damaged devices.
- Follow all staff directions regarding device use.
- If field trip money is on the phone, ask a counselor to retrieve the phone, make the purchase, and return it.

### **Consequences for Misuse**

Not following this agreement may result in:

- Verbal warning
- Temporary device confiscation
- Parent/guardian contact
- Reduced or removed device privileges
- Loss of field trip participation
- Dismissal from camp or temporary time off

Consequences are determined by Teen Trailblazer leadership. Full-time staff may be involved if needed.

**Questions?**

Camp Phone: (207) 294-2437

Available 7:30 am–5:30 pm, Monday–Friday

Ask for our Full-Time Staff Member Joe or Directors Kyle or Hannah.

---
